

Expect More: Supporting Your Business

What can you expect from Morningstar Investment Management as your investment management partner?

"We know that bringing investments to life and keeping your clients informed is a key aspect of your client relationships. That's why we're dedicated to providing you with the client friendly materials and support you need to help you manage client relationships as effectively and efficiently as possible."

How We Support Your Business

Our Adviser support tools are designed to help you in demonstrating the value you add to your clients. From practice management to regular investment insights, we have a range of value add tools you can use.

Adviser toolkit: An online resource with shareable and downloadable client materials, email templates, educational tools and investment updates to help you effectively and efficiently engage with your clients. In addition, you'll gain access to tools and resources such as suggested SoA and RoA wording as well as research packs to help you meet your compliance requirements. Go to <http://www.morningstarinvestments.com.au/yourtoolkit> for more information.

Morningstar managed portfolios: Providing your clients with actively managed portfolios whilst taking away the administrative burden and implementation challenges of investing on behalf of your clients.

Access to our people: We know you value access to the investment professionals that you've chosen to partner with. That's why we make sure you have access to a dedicated Relationship Manager and Portfolio Specialist to address any questions you or your client may have.

Leverage Morningstar's global resources: Morningstar's primary objective is to help investors. Unbiased and objective research is at the core of everything Morningstar does. Leverage this and more to inform, educate and demonstrate the value of your investment recommendations.

How We Support Your Business

Adviser business requirements	Morningstar capability	How we help
